

Basketball Shooting 9th Grade Rubric

This rubric will help to grade skill level of students in the basketball shot. To achieve a skill number, students must demonstrate all of the skills in that scoring level. Emphasis is on the process and mechanics of the sports skill and not the end product.

Skill Number	Mechanics and Cues of Skill
1	Basic Skill Level
	<ul style="list-style-type: none"> • Student picks up dribble before the shooting spot • Student does not stop body and shoots while moving • Student has little/no balance and the shot is inaccurate • Student shoots with both hands on the side of the ball • No court awareness during a game
2	Elementary Skill Level
	<ul style="list-style-type: none"> • Student picks up dribble before the shooting spot • Student does not make a complete stop and rushes shot • Student does not bend knees or fully use lower body • Vision is not focused on target/basket • Student shoots with both hands on the side of the ball • Student shoots ball as soon as someone gets close to them
3	Advanced Skill Level
	<ul style="list-style-type: none"> • Student dribbles the ball all the way to the shooting spot • Student makes a complete stop but body is not fully balanced • Student's hands are on correct spot on the basketball • Student does not bend knees or fully use lower body (causes student to not shoot properly) • Student's vision is at the basket while shooting • Student waits for defense to recover before shooting
4	Exemplar Skill Level
	<ul style="list-style-type: none"> • Student dribbles the ball all the way to the shooting spot • Student makes a complete stop and balances their body • Student bends knees and uses lower body during shot • Student's hands are on correct spot on the basketball • Student's vision is at the basket while shooting • Student shoots as soon as they are open
